

Exhibit No. ~~20~~ 21Date 3-18-11Amendments to House Bill No. 2
3rd Reading CopyBill No. HB2

For the Senate Finance and Claims Committee

Prepared by Lois Steinbeck
March 18, 2011 (5:22pm)

I move to reverse the Health and Human Services Joint Appropriations Subcommittee action with respect to funding for suicide prevention activities by funding the statutorily required state suicide prevention officer and removing the legislative direction to reallocate personal services funding to community grants.

- END -

Explanation:

This amendment does not add or decrease program funding. This amendment reallocates funds among uses. The amendment would increase funds for the suicide prevention officer and reduce funds for grants by the same amount.
